Valves & Faucets  
Built for Long Life

# WHO WE ARE

At RN Valves & Faucets, we bring together refined design, advanced engineering, and precision craftsmanship to elevate everyday water experiences. With over 25 years of manufacturing excellence, we are recognized as a trusted name in Brass, PTMT, and CP bath fittings, delivering products that combine performance with timeless aesthetics. Our diverse product range is thoughtfully engineered to meet the evolving needs of modern homes, hospitality spaces, and commercial environments. Each fitting reflects our commitment to quality, durability, and elegant design. As a preferred OEM manufacturing partner to reputed national brands, we uphold the highest standards of manufacturing, consistency, and reliability. Backed by a strong and well-established distributor and dealer network, RN continues to create long-term value for its partners through sustainable growth, market trust, and dependable business support. Driven by continuous research, advanced engineering, and deep expertise in water-flow dynamics, our products deliver efficiency, durability, and refined performance. With reliable after-sales support, RN Valves & Faucets is not just a brand—it is a partner committed to lasting success.

Faucets are tested for **100 kg** weight hanging

Faucet is tested for **3 Lakhs + Usages**

Our Faucets are resistant to UV damage & colour fading

Each faucet is built to be **100% Rust-Proof**

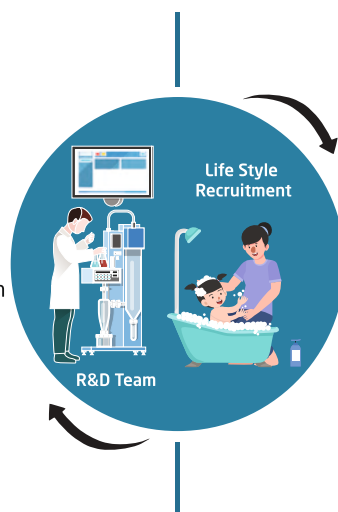

Our faucets are **100%** hard water resistant

All weather performance\*  
-20 C to +120 C

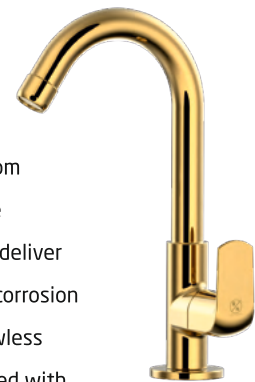

## PTMT

Crafted from High-Grade Engineering Polymer, our PTMT range is designed to meet the evolving needs of modern lifestyles. Backed by continuous R&D and patented technology, these products offer superior strength, lasting finish, and contemporary colour options—perfectly blending performance with aesthetics.

## CP

Manufactured from premium-grade brass, our CP fittings deliver exceptional durability, corrosion resistance, and flawless chrome finish. Designed with modern aesthetics, they enhance the elegance and performance of both residential and commercial spaces.
